

Stress Test The Business Idea

A Business Idea?

A Dream of Becoming Self-Employed?

An Ambition to Transform/ Grow an Existing Business?

YES

This Programme is for you!

Stress Test the Business Idea is a new and exciting addition to the training and development calendar at the National Franchise Centre (NFC). A modern business development programme, Stress Test The Business Idea takes the latest concepts, models and advancements to ensure that participants have the practical tools with which to:

- ◆ Stress Test a Business Idea.
- ◆ Assess Commercial Viability.
- ◆ Navigate the Business Support Landscape.
- ◆ Evaluate, using Design Thinking.
- ◆ Build a Peer Network .
- ◆ Determine an Action Plan .

This is an applied contemporary programme not to be missed!
