

LIMERICK INSTITUTE
OF TECHNOLOGY
INSTIÚID TEICNEOLAÍOCHTA
LUIMNIGH

With more than 7000 fulltime and part time learners, LIT has been among the best performing Irish higher education institutions in the EU Student Barometer for three years running, offering a wide range of programmes across a number of disciplines, all geared to the needs of today's economy and society.

Our research programme is the fastest growing among the Institutes of Technology in Ireland. Our campuses in Limerick and Tipperary have the most up-to-date facilities and equipment available for students. Our Programmes are renowned terms of academic results and their application to industry.
