# ASSISTANT PRINCIPAL OFFICER - REGIONAL SKILLS FORUM MANAGER - MID WEST REGION

**PERMANENT WHOLE TIME POSITION**  
**CLOSING DATE FOR APPLICATIONS:**  
**12 NOON, FRIDAY 22ND FEBRUARY**

For many employers, it can be hard to understand the different types of providers, courses and services available across the further and higher education and training system and how to access them.

To help foster stronger links between employers and the education and training sector, The Department of Education and Skills has created a network of nine Regional Skills Fora in the North West, North East, South West, South East, Midlands, Mid East, Mid West, West and Dublin in 2016.

Each of these Fora is led by a Regional Skills Forum Manager. The Manager has a critical role in ensuring that each Forum achieves the desired strategic outcomes for each Region. The Managers are required to establish and manage a strong network of working relationships between the stakeholders in the region, with particular focus on collaboration between enterprise and education and training stakeholders.

The Manager in the Mid West region is employed by Limerick Institute of Technology as a shared resource for the Forum.
